Interested in the Paranormal?
Fascinated by the Unexplained?
JOIN

THE SPRINGFIELD GHOST SOCIETY

The **Springfield Ghost Society** is currently looking for new members to join in the search for evidence that ghosts really exist. The goals of the group are to seek out evidence that ghosts really exist, research ghost stories and ghost sightings and to conduct paranormal investigations into strange activity.

We are looking for people who want to have fun and yet have a thirst for knowledge and an interest in the unknown and the unexplained. We only ask for members with an open mind and who hold the idea that anything might be possible.

A membership in the **Springfield Ghost Society** guarantees that you will receive emails concerning ghost investigations. As a member you agree to turn in to me all evidence received on an investigation.

As a member of the **Springfield Ghost Society** you agree not to use the **Springfield Ghost Society** name on investigations not scheduled by the **Springfield Ghost Society** unless it has been agreed upon by me.

There is a \$10.00 annual membership fee to join the **Springfield Ghost Society** which is due when you turn in your membership form. This is a non-profit organization and annual fees help cover website expenses only. Please make checks out to "Debbie Lowery".

Please enroll me as a member of the **Springfield Ghost Society**

(Any documentation turned in to the Springfield Ghost Society is property of the SGS and can be presented in any format to the public. I give Debbie Lowery my permission to use this documentation any way she sees fit). I acknowledge that a background check may be done on me and I give my permission to do so by signing this form.
